

PAPER TOWEL EXPERIMENT

Prepared by Miss Shanny

LET'S WATCH A VIDEO!

THINGS TO PREPARE

01

Paper towel

02

Coloured Markers

03

A basin of water

WHAT TO DO?

1

Fold the paper towel in half.

Choose a word that you wish to draw from the list below.

2

Draw the picture at the front side using a black marker.

Open the paper towel and trace the drawing on the other page.

3

Colour the picture.

Write the word at the bottom.

Fold back the paper towel.

4

Prepare a basin of water.

Put the paper towel in the basin of water and watch the magic unfold!

Have fun! 😊

Children can do this activity to consolidate their learning from Starlight lessons. The list contains some of the vocabulary words that the children have learnt in Term 1 and Term 2. **Parents may guide your child and write the word if he/she is unsure.**
